**BSE/TSE STATEMENT FOR QUALICAPS BRAZIL
EMPTY HARD GELATIN CAPSULES**

Genix Industria Farmacêutica Ltda, a Qualicaps Brazil, is providing you with information with respect to the sourcing and processing of gelatin intended for use in foods, drugs, dietary supplements, cosmetics and Other regulated products (ANVISA).

The gelatin used in manufactured products from our facility is from MAPA and ANVISA sourced skins. The raw material used in the gelatin employed at Qualicaps Brazil are sourced exclusively from Brazilian facilities that have been approved by our Supplier Qualification process.

We have the capability of utilizing validated, certified vendors and customers for our products based on production demands. These vendors or customers are certified by Qualicaps Brazil and are complying with the ANVISA regulatory. In order to maintain our current position in regards to provide informations pf customers, we are frequently in contact with Quality Assurance area, Regulatory/Compliance area or Quality Control area from our vendors/customers.

If you have any additional questions, please, do not hesitate to contact us.

A handwritten signature in black ink, appearing to read 'Patrícia J. M. Tannús', written over a horizontal line.
