Halal Certificate of Processing Plant

We certify that the processing facility of:

QUALICAPS:

Avda. Monte Valdelatas, 4
28108 Alcobendas, Madrid. España

has been inspected and approved by our Islamic organization for Halal Preparation, blending, manufacture, packing and distribution of Halal bovine gelatin and cellulose empty hard capsules for Pharmaceutical and Consumer Health industries products by applying our procedures according to Islamic Rites.

QUALICAPS is fully equipped to produce Halal products suitable for Muslim consumption.

The processing of Halal food products is performed when all the machines are cleaned and sanitized with no mixing with other types of meats or forbidden ingredients.

All packages/ cases of the Halal products packed at this facility are labeled and each shipment is accompanied with a Halal certificate for the product

This facility Halal certificate is valid for one year and subject to renewal.

For any question regarding this Halal Certificate, please contact IMVAA.

Note: This plant halal certificate indicates that this facility has been approved, however, this certificate should not be sent with products to customers, another product Halal Certificate is issued by us to accompany each sale order-batch

Signed,

Mr. Ahmed Bouakaz
